

HackTheBox – Templated Write Up

Tools:

- ASCII to text converter (<https://onlinestringtools.com/convert-ascii-to-string>)

Walkthrough:

Step	Description
1	<p>Unzip the file from the zip file. The file extracted from the zip file is “Scroll.jpg”.</p>  <p>Figure 1: Scroll.jpg image.</p>
2	<p>Google search for “temple symbols”. The search results will display images that have similar symbols based on the challenge given.</p>
3	<p>Convert the symbols into numerals.</p>
4	<p>After that, convert the numbers from ASCII format to text in https://onlinestringtools.com/convert-ascii-to-string to obtain the flag.</p>

Flag is HTB{Please decrypt yourself ☺}
